PROFESSIONAL PROFILE

Results-driven digital marketing professional with 3+ years managing integrated marketing strategy, paid media, and content across retail, beauty, and consumer-facing brands. Currently leads full digital strategy for two retail/beauty brands simultaneously — social media, paid advertising, SEO, and website performance — with direct accountability for reach, engagement, and ROAS targets. Comfortable moving between strategic planning and hands-on execution, with a data-first approach to campaign optimization and a track record of driving measurable growth in traffic, engagement, and lead generation. Also operates an independent marketing consultancy, bringing a contractor's ownership mindset to every engagement.

WORK EXPERIENCE

Digital Marketing Manager

Beauty Square Kenya & Sage Sknn Aesthetics — Nairobi

Jul 2026 – Present

- Own end-to-end digital strategy for two retail/beauty brands simultaneously, social media, paid advertising, SEO, and website management, reporting directly to the Operations Manager.
- Direct and manage paid campaigns across Meta, TikTok, and Google Ads, overseeing budgets and performance against reach and ROAS targets.
- Set and manage content strategy and publishing calendars across Instagram, TikTok, Facebook, and WhatsApp for both brands.
- Lead weekly and monthly performance reporting, presenting strategy, results, and data-driven recommendations to Operations and executive leadership.
- Conducted a full digital audit within the first 30 days, identifying and correcting a significant ad-attribution discrepancy between Meta and on-site analytics.

Marketing Consultant (part time)

Powwater — Nairobi

Apr 2026 – Jul 2026

- Ran digital marketing campaigns to grow the brand online and bring in new customers.
- Created and managed social media content across key platforms, keeping posting consistent and on-brand.
- Advised on paid ads, audience targeting, budget allocation, and campaign performance improvement.

- Designed creative assets and wrote copy for digital channels, tracking results and reporting findings with clear recommendations.

Marketing Lead / Digital Marketing Specialist
