WORK EXPERIENCE

Assistant Marketing Supervisor / Digital Marketing Specialist | iClear Welllife Service Limited
— Nairobi, Kenya

May 2025 – Present

- Co-led end-to-end marketing strategy and execution across social media and digital campaigns, contributing to 80% growth in brand visibility and engagement.
- Owned planning, execution, and optimization of 12+ integrated promotional campaigns, driving a 25% increase in brand reach and measurable ROI.
- Built and managed paid and organic experimentation frameworks across creative assets, app store optimization, and landing pages to maximize growth.
- Developed and managed retention marketing strategies and lifecycle campaigns to grow and retain the user base.
- Introduced AI-powered marketing workflows (ChatGPT, Gemini) to streamline ideation, content creation, and campaign planning, improving output speed and consistency.
- Directed end-to-end content production (video, graphics, copy), ensuring brand alignment with business objectives.
- Collaborated cross-functionally with internal teams to align marketing initiatives with organizational priorities; reported campaign effectiveness with data-driven recommendations.

Digital Creative Lead | Convey Communications — Nairobi, Kenya

Jan 2025 – Present

- Led creative direction and digital strategy for the 'Convey with Caroline' podcast, defining brand identity, tone, audience growth strategy, and platform expansion.
- Designed and executed multi-platform promotional campaigns including reels, teasers, thumbnails, and branded content across social channels.
- Owned full multimedia production lifecycle: concept development, filming, editing, sound design, and post-production.

- Grew audience engagement and brand clarity through consistent, high-quality storytelling and platform-specific content distribution.

Creative Digital Officer | Convey Communications — Nairobi, Kenya

Feb 2024 – May 2025

- Spearheaded digital content execution for internal brand initiatives and client campaigns, delivering 30+ multimedia assets.
- Achieved a 15% increase in engagement and brand visibility through strategic content improvements informed by performance analysis.
- Supported senior leadership in campaign ideation, execution, and optimization across digital and social channels.

Communications Intern | County Government of Nyeri — Nyeri, Kenya

May 2023 – Aug 2023

- Supported public communications through content creation, field interviews, digital storytelling, and social media content strategy.
- Assisted in script development, live broadcast setup, and multimedia production for community engagement initiatives.

KEY PROJECT

Convey with Caroline Podcast | Brand & Growth Lead | *Jan 2025 – Present*

- Defined and executed the brand's complete visual and digital identity across all platforms.
- Led end-to-end video and audio production, promotional strategy, and platform-specific content distribution.
- Delivered cohesive audience experiences that improved engagement metrics and brand recall.
