Nairobi, Kenya | 0704 700 160 | joemaish084@gmail.com | joesportfolio.lovable.app

PROFESSIONAL PROFILE

Results-driven digital marketing and communications professional with 3+ years of hands-on experience building integrated campaigns across social media, content strategy, and community-driven storytelling. Proven ability to develop platform-specific content, manage multi-channel distribution at scale, and translate brand narratives into measurable digital impact. Experienced working in agency-adjacent environments supporting brands across multiple sectors. Strong writing skills, deep platform fluency, and a data-first approach to campaign optimization.

CORE SKILLS

Digital Marketing Strategy · Social Media Management (LinkedIn, Instagram, TikTok, Facebook, YouTube, X) · Content Calendar Development

Platform-Specific Copywriting · Influencer Briefing & Management · Earned & Owned Channel Strategy · Community Building

Campaign Analytics & Reporting · Video Production & Editing · AI-Powered Content Workflows (ChatGPT, Gemini, n8n)

Crisis Communications Support · Adobe Creative Suite · Canva · Meta Ads Manager · Google Analytics

WORK EXPERIENCE

Digital Marketing Specialist / Asst. Marketing Supervisor | iClear Welllife Service Limited - Nairobi *May 2025 – Present*

- Planned and executed a full-year integrated digital marketing campaign across TikTok, Instagram, LinkedIn, Facebook, and YouTube, producing 336 pieces of content (142 videos + 194 static posts).
- Generated 4M+ total TikTok video views and 2.5M+ Instagram video views through a video-first content strategy, with top single videos reaching 104K views on TikTok.
- Achieved 704K Instagram reach and 103% growth in Instagram video views, with link clicks growing 179% directly supporting lead and traffic objectives.
- Led 12+ integrated campaigns including a TECNO co-brand promotion and Kilimall e-commerce activation, contributing to 80% brand visibility growth and 25% increase in brand reach.
- Built and managed organic and paid experimentation frameworks, refining campaigns in real time based on performance data.
- Introduced AI-powered content workflows (ChatGPT, Gemini, n8n) to accelerate ideation and production pipelines while maintaining brand consistency.
- Reported campaign effectiveness with data-driven insights translated into clear recommendations for leadership.

Digital Creative Lead | Convey Communications - Nairobi

Jan 2025 – May 2025

- Led complete brand identity, digital strategy, and multi-platform content distribution for the 'Convey with Caroline' podcast, building audience engagement from zero through community-first storytelling.
- Designed and executed multi-platform campaigns (reels, teasers, branded content) with consistent visual identity across Instagram, LinkedIn, TikTok, and YouTube.
- Owned influencer and media outreach strategy to amplify reach and build collaborative content opportunities.
- Managed full production lifecycle: concept development, filming, editing, sound design, and post-production.

Creative Digital Officer | Convey Communications - Nairobi

Feb 2024 – Jan 2025

- Delivered 30+ multimedia assets across internal brand initiatives and client campaigns, achieving a 15% uplift in engagement through data-informed content improvements.
- Supported campaign ideation, execution, and optimization across digital and social channels for multiple brand clients.
- Translated performance analytics into actionable content strategy adjustments, iterating rapidly based on audience insights.

Communications Intern | County Government of Nyeri

May 2023 – Aug 2023

- Produced digital content, conducted field interviews, and ran social media campaigns for large-scale public engagement initiatives, building early experience in reputation management and community communication.

KEY PROJECT

Convey with Caroline Podcast - Brand & Growth Lead | Jan 2025 – Present

- Built the brand's entire digital identity and content ecosystem from scratch: visual language, tone of voice, platform strategy, and community engagement model.
- Grew audience engagement through consistent, high-quality storytelling and platform-optimized content distribution across Instagram, YouTube, TikTok.
- Demonstrated core digital marketing skills: narrative framing, audience building, and growth through owned and earned channels.
